## CONFIDENTIALITY STATEMENT

The document "BAR-97 Revised Emissions Inspection System Specifications" dated December 2002 and all subsequent addenda, contains information that is proprietary to the Bureau of Automotive Repair and shall not be disclosed to anyone other than the following authorized person(s). Recipients of BAR-proprietary information shall not disclose the information to anyone for any purpose, nor use the information to develop emission test equipment for any other state or country without prior written approval from the bureau.

\_\_\_\_\_ certifies that the BAR-proprietary information shall be handled  
(NAME OF COMPANY)

with the strictest confidentiality and only the following individuals have been authorized to have access to these documents. \_\_\_\_\_ agrees to assume financial responsibility for any

(NAME OF COMPANY)  
 compromise in security, damages, or loss to the State of California caused by the company, its employees or any organization or individual which is allowed to access this information.

NAME (Print)	TITLE	SIGNATURE	DATE

The bureau requires all personnel authorized access to the BAR-proprietary information to be named and will return statements that name top level management only. Please return this completed statement to the attention of:
